

Distribution box number fz

Overview

The Fuzeblocks FZ-1 is a feature-packed distribution block that combines an integrated relay and the ability to switch from constant power to switched power on any of its 6 circuits simply by moving a fuse to the left or the right. No more stacks of wiring connectors on your battery terminals! The Amazon.com Voluntary 30-Day Return Guarantee: You can return many items you have purchased within 30 days following delivery of the item to you. Switch devices on or off automatically with your vehicle or provide constant power - it's your choice. No crimping! Installation is as simple as 1-2-3. Connect battery power, ground and a switched source to the FZ-1 input terminals. Wiring diagram shows PNP wiring. 81 ft)]. APTEC DISTRIBUTION FZ-LLC is a United Arab Emirates company, located in United Arab Emirates.
