Double-sided cable tray

Double-sided cable tray

Plastic Double-Sided Horizontal Cable Managers are perfect for organizing a large amount of cables on both sides of the server rack within the same U-Space. Both sides of the cable manager feature a ...

NEXCONEC ® 1U/2U Dual-sided plastic cable manager rail is designed for 19-inch rack space. It has 24 slots on the top and bottom to manage cable within a rack or cabinet from the front and back with ...

The high-capacity 12-inch (30.5-centimeter) width and 11.4-inch (29-centimeter) depth on both sides allows the installation and routing of large cable bundles. The cable manager is made from cold ...

J-Hook Trees - Single and Double-Sided J-Hooks are perfect for organizing bundles of cables and wires or supporting conduit. In addition to providing ease of access to cables post-installation, J-Hooks ...

Organize network infrastructure with CommScope Horizontal and Vertical Cable Management Kits. Sturdy aluminum structures, troughs, spools, and trays keep cables secure and concealed.

Achieve effortless cable organization by neatly managing computer cables, power cords, and peripheral wires, reducing clutter while improving the overall aesthetics of your workspace effectively.

Consider mounting small power strips directly inside the tray using heavy-duty double-sided tape. This creates a centralized power hub that keeps all connections shielded from accidental ...

Tool-Free, No-Drill Installation: Strong double-sided adhesive makes cord management under desk quick: peel, stick, and press firmly. For best results, apply to a clean, smooth surface and let it set for ...

This 74" double-side cable management rack mount panel is designed to accommodate top, bottom, side, and pass-through cable routing. It easily mounts on standard equipment racks and includes all ...

Legrand® standard horizontal cable managers are available in 1RU and 2RU sizes. Fingers begin 3/4" from the face of rack to provide bend limitation for cables, protecting cables, equipment and network ...
