

Drop Cable Length Setter

Overview

The SMART STRIP FLAT DROP 3X2 tool protects the cable's fiber from nicks and scratches. The tool comes with an ease to use and view length guide to help you set the desired strip length. This duplexed cable is suited for use as drop cable from a pole mounted transformer to the service entrance of a structure, or as secondary distribution between poles. Designed to deliver high-speed data, voice, and video services directly to subscribers, drop cables ensure reliable, high-performance connectivity in fiber-to-the-home. The SENKO SMART STRIP FLAT DROP 3X2 tool is made for stripping off the jacket and cutting the dual strength rods of 3. The stripper uses a dual cutting blade for making precise square cuts of the outer cable jacket and the dual stress rods made of metal or fiberglass. FTTH fiber optic tool kit for indoor and outdoor fiber optic connection acceptance, including products: optical power meter, visual fault locator, fiber optic cleaver, CFS-2 fiber stripper, cable stripper, fiber length setter and alcohol bottles.

Drop Cable Length Setter

FTTH fiber optic tool kit for indoor and outdoor fiber optic connection acceptance, including products: optical power meter, visoal fault locator, fiber optic cleaver, CFS-2 fiber stripper, cable stripper, fiber ...

FTTH fiber optic tool kit for indoor and outdoor fiber optic connection acceptance, including products: optical power meter, visoal fault locator, fiber optic cleaver, ...

This duplexed cable is suited for use as drop cable from a pole mounted transformer to the service entrance of a structure, or as secondary distribution between poles. The cable should be limited to ...

This video shows the flexibility, size, jacket detail, conductor material and stranding of the 6 AWG Shepherd Aluminum Duplex Service Drop Cable.

Duplex Service Drop Aluminum Conductor ... All values are nominal and subject to correction
*Designated sizes are ACSR 6/1, diameter, equivalent resistivity per ASTM B399 for 6201.

Featuring reduced-diameter flat drop cables, these assemblies are available with dielectric and toneable options and an innovative design which allows quick and easy access to the fiber to reduce prep and ...

Choose 6-6 Setter Aluminum Duplex Overhead Cable for efficient 120V power distribution. Available in XLP and Poly insulation. Shop for reliable overhead cables now.

6 Setter Aluminum Conductor Duplex Overhead Service Drop Cable is designed for reliable secondary overhead power delivery from utility distribution lines to residential and light commercial service ...

The SMART STRIP FLAT DROP 3X2 tool protects the cable's fiber from nicks and scratches. The tool comes with an ease to use and view length guide to help you set the desired strip length.

A single-fiber drop cable suitable for aerial, duct, or direct-buried outdoor installations. Available with Corning's innovative FastAccess® technology, which makes opening the cable easier and faster.

FTTH fiber optic tool kit for indoor and outdoor fiber optic connection acceptance, including products: optical power meter, visual fault locator, fiber optic cleaver, CFS-2 fiber stripper, cable stripper, fiber ...
