

Fiber Optic Coupler and Flange

Fiber Optic Coupler and Flange

Optical fiber mechanical parts include optical fiber flanges, adapters, connectors, Microsystems and coupling modules, which are indispensable components for building optical fiber systems.

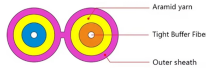

Get low-loss fiber optic adapters/couplers with good repeatability and durability for precisely mating two ends of a fiber optic cable. Multiple connector options available.

The FOA-990A is a high-quality fiber optic coupler for use in a variety of panel layout configurations, and features a full mounting flange for permanent installations. The coupler ships with single dust cap to ...

SMA Female to FC Female Fiber Optic Adapter Rectangle Flange SMA-FC Coupler Connector. transmitted at sufficiently low insertion loss. fiber optical adapter include: SC, LC, FC, ST, MU, D4, ...

Shop high-performance fiber couplers and panels for seamless network connectivity. Reliable, durable, and compatible with multiple configurations for professional fiber management.

We offer couplers in LC, SC, SC & FC formats to meet your network needs.

Constructed of light weight yet durable plastic, these couplers can be mounted in ...

Constructed of light weight yet durable plastic, these couplers can be mounted in a 0.6" X 0.4" panel cut out. They can be used with MPO connectors that have 4, 6, 8, or 12 port ferrules.

This ST Duplex Universal Fiber Optic Coupler / Adapter works with both singlemode and multimode fiber and is designed to couple together ST patch cables / connectors.

MTP/MPO Fiber Optic Adapter Coupler, Key-Up to Key-Down, 40G/100G OM3/OM4 Multimode, Standard Flange, for Data Center Patching System & US Conec Housings Visit the Karono Store

The compact design and corrosion-resistant body of our fiber optic adapters allow for a reliable and long-lasting connection for multiple optical cables.
