

How long is a roll of outdoor drop fiber optic cable

Overview

This is a black 1000 foot spool of indoor/outdoor rated fiber optic distribution cable intended for long distance runs at high speeds. It is composed of 6 singlemode fibers (9 micron core) inside a water blocking Aramid yarn wrapped in a black PVC outer jacket. Designed to deliver high-speed data, voice, and video services directly to subscribers, drop cables ensure reliable, high-performance connectivity in fiber-to-the-home (FTTH), fiber-to-the-premises (FTTP), and other last-mile network installations. Two parallel Fiber Reinforced Plastics FRP are placed at the two sides. Special. Browse armored and dielectric outdoor fiber optic cable. In the event your product doesn't work as expected or you need help using it, Amazon offers free product support options such as live phone/chat with an Amazon associate, manufacturer contact information, step-by-step troubleshooting guides, and help videos.
