

How much does a laser diode cost in New Zealand

Overview

Mouser offers inventory, pricing, & datasheets for Laser Diodes. Pricing (NZD) Filter the results in the table by unit price based on your quantity. Laser Diodes 905nm, 75W, 225m Invisible Pulsed Laser Diode. We stock a large selection of Laser Diodes, including new and most popular products from the world's top manufacturers including: Rohm, AMS Osram Group, Würth Elektronik, TT Electronics / Optek Technology & Laser Components More Pricing. Orders are typically delivered to New Zealand within 3 days depending on location. Average Time to Ship 1-3 Days, extra ship charges may apply. They create a very precise beam of light which is ideal for applications which require an accurate. 10mW laser diode with inbuilt PIN photodiode (PD), red in colour and supplied with 7mm dia collimating lens. Select to rate the item with 1 star. This action will open submission form. You can buy a laser diode for less than a dollar.

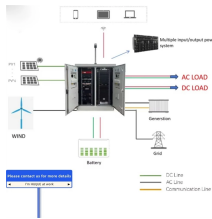

How much does a laser diode cost in New Zealand

1550nm DFB Laser Diode - High Power Butterfly Package This is a 1550 nm DFB laser diode with TEC integrated in a 14-pin butterfly package. It has high out...

Laser Diodes, Modules are in stock at DigiKey. Order Now! Optoelectronics ship same day

In order to help, we put together a short list to help you at least figure out how much a “class” of laser diode might cost. This list is a rough guide of pricing by package style and output power for 808, 915, ...

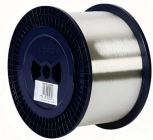

Buy Laser Diodes. element14 New Zealand offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Sharp Microelectronics Laser Diodes are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Sharp Microelectronics Laser Diodes.

Toptica iBeam Smart: High-Performance Single Mode Diode Laser The Toptica iBeam smart is the ultimate choice when looking for a high-performance, ultra-reliable OEM single mode diode laser ...

Overview 10mW laser diode with inbuilt PIN photodiode (PD), red in colour and supplied with 7mm dia collimating lens. Size: TO-18 (5.6mm dia)

Mouser offers inventory, pricing, & datasheets for Laser Diodes.

Laser diodes are available in a range of different packages, for example TO-38 and TO-56. The most common laser colours are red, blue and green. Their colour is described in wavelength, the same as ...
