Everything you need to know about CN22 and CN23 forms for international shipping. Learn how to fill out customs declaration forms with ease.

Control of Export of Dual-Use Items
International Cooperation
Enforcement
Non-Proliferation Policy
Iceland controls exports of dual-use items, i.e. goods, technology or services that can be used for both military and civilian purposes, on the basis of international legal obligations that Iceland is party to. The purpose of export controls is to prevent dual-use items from being used in violation with Iceland's international legal obligations, in...
