

Industrial-grade 16-port optical switch

Industrial-grade 16-port optical switch

The GAOTek industrial managed 16-port optical fiber switch ensures stable and reliable Ethernet transmission, perfect for harsh environments like industrial networking.

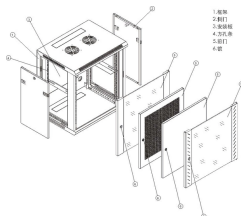

WAGO's new 16-Port Industrial Switch (852-1106) is the ideal solution. The features provided by the 852-1102 16-Port Switch speak for themselves: A high data throughput of 1 Gbit as well as suitability ...

□Management Features□This Industrial 16-Port Ethernet Gigabit Switch with 4 SFP Optical Fiber Ports supports connecting USB-C ports for easy management, without the need to access the RS232 ...

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...

As an industrial grade switch, IES82162XMH-S-RP is designed specifically to withstand extreme weather environment including high humidity and exposure to moisture.

The GAOTek industrial managed 16-port optical fiber switch ...

Comply with IEEE 802.3 af/at PoE standard, automatically identify PoE devices for power supply, and not damage non-PoE devices. Support PoE network management function, port power status ...

This rack-mount device is designed with DiCon's proprietary 3D MEMS mirror technology and delivers industry-leading optical performance. The unit works without any position sensor or feedback loop, ...

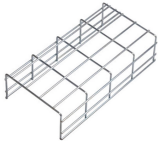

Management Features This Industrial 16-Port Ethernet Gigabit Switch with 4 ...

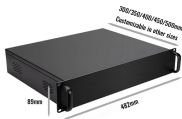

TRENDnet's 16-Port Industrial Gigabit PoE+ DIN-Rail Switch, model TI-PG160, has sixteen gigabit PoE+ ports with a 240W PoE power budget. Users are able to connect sixteen PoE+ devices to the ...

The Optigo ONS-C1601pi is a 16-port Industrial Panel IoT Edge Switch suitable for High-density Centralized PoE+ for Security, Lighting, HVAC, Access Control etc.

Expand your Gigabit Ethernet network into harsh environments, such as mines and construction sites, with this 16-port Lite Managed switch with IP30 casing.

Expand your Gigabit Ethernet network into harsh environments, such as mines ...
