

Installation Solution for NEMA4X Optical Cable Fixing Clamps in Vietnam

Overview

At Gcabling, we provide a complete set of reliable, corrosion-resistant tension clamp solutions designed to ensure safe and stable cable deployment in overhead networks. FIMO cable clamps are suitable for a quick, safe and secure installation on any kind of support. Cable fixing accessories, such as fiber tension clamps, stainless steel drop wire clamps, anchor hooks, and brackets, play a crucial role in maintaining the physical integrity of fiber optic cables. We spend a lot of time and cost for new products development and test to produce various clamps and brackets for medium span cable line deployment.
