

## Multimode dual-fiber transceiver self-operated industrial grade

## Multimode dual-fiber transceiver self-operated industrial grade

Find your multimode transceiver easily amongst the 94 products from the leading brands (Rohde & Schwarz, Smiths Interconnect, Emerson, ...) on DirectIndustry, the industry specialist for your ...

Support Digital Diagnostic Monitoring interface  
Single +3.3V power supply Compliant with SFF-8472 Case operating temperature  
Commercial: 0°C to +70°C Extended: -10°C to +80°C Industrial: -40°C ...

Moxa's Ethernet to Fiber media converters feature innovative remote management, industrial-grade reliability, and a flexible, modular design that can fit any type of industrial environment.

Shop DigiKey's large in-stock selection of Fiber Optic Transceiver Modules. View inventory, pricing and order now for same day shipping!

The OPT155-312xxxR series is the high-performance and cost-effective multi-mode 1x9 optical transceiver for serial optical communication applications. They are suitable for Fast Ethernet, SDH ...

LPS MM 2630i LC, SFP Multimode Transceiver Datasheet.

Designed for high-speed connectivity over short optical links, these transceivers operate primarily on multimode fiber (MMF) using an 850nm wavelength. They support distances up to 550 meters and ...

The levelOne SFP-2200 is a high performance and cost-effective multi-mode SFP transceiver. Intended for use with Fast Ethernet, it provides up to 155 Mbps data transfer rate on a single duplex fiber core.

Mouser offers inventory, pricing, & datasheets for Multimode SFP 850 nm Fiber Optic Transmitters, Receivers, Transceivers.

The RS-10G03-31-10DI dual-fiber bidirectional ultra-compact optical transceiver module integrates the transmitting and receiving components within a compact metal housing, significantly enhancing its ...
