

North Africa Fiber Optic Patch Cord Recommendations

North Africa Fiber Optic Patch Cord Recommendations

Star Computer Limited fiber optic patch cords are manufactured strictly according to international standard. We adopt high quality raw materials and we use on-site manufacturing equipment.

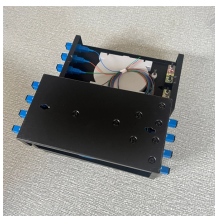

The Fibre Optic Patch Cord is a fibre optic cable capped at either end with connectors that allow it to be rapidly and conveniently connected to an optical switch or other telecommunication equipment.

The parameters of common fiber patch cables such as fiber cable mode and connector types are the key elements that matter a lot. If your cabling environment is rather demanding, the special fiber patch ...
