

## Tunnel Bridge in Armenia

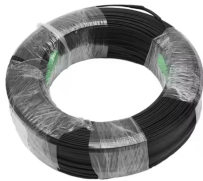

### Overview

This corridor will not only connect Baku with Nakhchivan and Turkey, but will also create a new large-scale trade route between Central Asia, the Middle East, and Europe. Dubbed the “Trump Bridge,” this project is considered a modern-day “Silk Road,” funded and overseen by the United States. Armenian and Azerbaijani flags can be seen standing just meters apart in the distance on the outskirts of Khnatsakh village in Armenia's Syunik. Senior Writer, Foreign Policy & Deputy Editor, National Security and Foreign Policy to see more of our trusted coverage when you search. In. A new geopolitical corridor is being carved out in the Caucasus—not to integrate the region, but to occupy it. While advancing the project on schedule, the Eurasian Fund for Stabilization and Development (EFSD) updated on. As part of a peace deal with Azerbaijan, Armenia plans to award the US exclusive development rights on a transit corridor that will be named the Trump Route for International Peace and Prosperity, or Tripp. US-brokered peace framework aims to resolve conflict between Armenia and Azerbaijan, with a.
