

Upgraded Solution for Norway's High-Efficiency UPS System

Overview

ComPower AS specialize in UPS systems and Aids to Navigation (AtoN) for ships and rigs. Our systems are module-based, service friendly and highly reliable. Our solutions. NordicEPOD's state-of-the-art facility is now manufacturing standardized power modules called EPODs that shave weeks off data center construction time. Eaton's proprietary technology, embedded in the EPODs, guarantees a supply of highly energy-efficient critical power to the servers via Eaton's. Riello UPS delivered by Anda-Olsen provides high efficiency, flexibility, and operational reliability in critical installations. With features designed to alleviate pressure on surface transport networks and spur. Løsninger for både store og små, med effekter fra 0,8 kVA til 50 MVA. Automatisk startende dieselaggregater som backup for den ordinære forsyningen. Skip som er forsynt med strøm fra land forurenses ikke.

Upgraded Solution for Norway s High-Efficiency UPS System

Avbruddsfri strømforsyning (UPS) for datasenter, eiendommer og serverrom. Vi spesialiserer oss på avanserte UPS-system (Uninterruptible Power Supply) som sikrer stabil strømforsyning til en rekke ...

Through the strategic integration of advanced UPS and battery systems provided by Celltech, FornebuBanen ensures uninterrupted operation and minimal service downtime, crucial for ...

Anda-Olsen is the supplier of Riello UPS in Norway and combines Riello's technology with local expertise, service, and aftermarket support. The solutions provide safe operation, high uptime, and ...

Makker er landets eneste leverandør av både statiske og dynamiske UPS'er. Vi har løsninger for både små og store kunder, med effekter fra 0,8 kVA til 50 MVA.

Characterized by a strong emphasis on sustainability, energy security, and digital infrastructure resilience, this market is transitioning from traditional solutions to advanced, modular ...

En UPS leverer strøm også når forsyningsnettet forsvinner, og beskytter slik anlegget ditt mot svikt i forsyningen. Vi tilbyr UPS-løsninger for DC- og AC-anvendelser, som i funksjoner og byggform er ...

To help companies prepare for increasing success, Delta engineers flexible, scalable systems that are built to be easy to expand as needed, to accommodate greater demands for power protection.

Data center design and build company CTS Nordics, together with Eaton, announced the opening of the new NordicEPOD factory in Oslo. NordicEPOD's state-of-the art facility is now ...

ABB har frittstående og modulære UPSer i enhver størrelse, til de fleste sammenhenger. Vi har løsninger for mindre serverrom til store datasenter og for både lavspennings- og ...
